

ASSEMBLY BILL

No. 764

Introduced by Assembly Member Linder

February 21, 2013

An act to amend Section 9656 of the Business and Professions Code, relating to cemeteries.

LEGISLATIVE COUNSEL'S DIGEST

AB 764, as introduced, Linder. Cemeteries.

Existing law, the Cemetery Act, establishes the Cemetery and Funeral Bureau within the Department of Consumer Affairs and sets forth its powers and duties, including, but not limited to, licensing and regulating cemetery managers, salespersons, and brokers. Existing law requires the bureau to examine the endowment care funds of cemetery authorities, as specified.

This bill would make technical, nonsubstantive changes to a provision of the Cemetery Act related to endowment care funds.
